ABOUT THE COLLEGE

BBK DAV College for Women stands tall as a provider of quality Higher Education on the national horizon. Founded in the year 1967, under the aegis of DAV College Managing Committee, New Delhi, with the avowed aim of spreading the benefits of education to women, synchronizing tradition with modernity, this multi-faculty institution aims to blend professional & vocational education with conventional courses. It is an excellent model of what a women's college can do for women's empowerment. The thrust of the college is on the highly innovative and efficient management of all its resources, human as well as infrastructural. The history of fifty two years shows an ever-growing desire to be in pace with vocation-oriented education and challenges of technology, communication & media. The college combines a commitment to excellence in teaching with a special focus on sports and cultural opportunities. The academic thrust is on imparting in-depth knowledge of the subjects and developing critical abilities that enable the students to relate and use knowledge in real life situations. The co-academic and cultural activities are focused on inculcating a strong sense of commitment to nationalist, social & cultural values. Nurtured by an ideal combination of facilities and facilitators, the college scholars, sports persons and artists have been winning the highest honours in their fields of interest. Appreciating BBK DAV College's special efforts towards the promotion and popularization of vocational education for women empowerment, UGC deems it as a Model College in vocational education and the NAAC (National Assessment & Accreditation Council, Bangalore) Peer team also applauded its achievements in this area.

PURPOSE OF FDP

The aim of higher education system is to attain holistic development along with higher growth rates realised through transmission and dissemination of knowledge. The consistent growth in Higher education at all levels in country can be assured by setting up new institutions and improving the existing ones. Further, these institutions need to be facilitated with qualified teachers and faculty members. This entails the considerable need of the faculty development programs for qualified, seasoned and trained faculty members.

A range of measures to enhance the academic environment in the institutions have been initiated. The major initiative is providing faculty members, the vitals of the higher education system, opportunities to pursue research and also to participate in seminars / conferences / workshops.

Participation in such programmes would capacitate faculty members to update their pedagogical skills. FDP aims at endowing the faculty members with required developmental strategies.

TARGET

The Faculty Development program aims at augmenting the knowledge and enhancing the skills of academicians, educational experts, administrators, teachers and policy makers.

DISCUSSION THEMES

- Innovative use of ICT in higher education
- The role of NAAC to promote quality assurance in higher education
- Technology support for teaching and learning
